

River Bend Nature Center

Enriching lives through outdoor discovery & learning

Our mission at River Bend Nature Center is as simple and as it is important: to help people discover, enjoy, understand and preserve the incredible natural world that surrounds us. We are an integral community resource, that offers a rich array of programs for schools, youth, families and adults.

Our 750-acre site straddling the Straight River contains an impressive variety of habitats (prairie, hardwood forest, wetland, etc.). These habitats are home to numerous animals and plants, some of which are rare and/or endangered. Ten miles of trails are accessible to the public throughout the year.

Central to the success of RBNC are members who provide financial backing, serve as volunteers and offer leadership support. As an independent nonprofit organization, River Bend Nature Center's past, present and future are directly linked to the citizens and businesses of the region. Join us!
