NATURE CENTER

## 2014 Annual Report

### RIVER BEND NATURE CENTER

#### Business/Interpretive Center Hours

Monday-Friday 8am to 4:30pm  
Saturday 9am to 4pm

**Trail Hours:** Everyday from 6am to 10pm

#### Street Address

1000 Rustad Road, Faribault, MN 55021

507.332.7151 [WWW.RBNC.ORG](http://WWW.RBNC.ORG)

# 2014 River Bend Highlights

## Programs

**Homeschool programs:** River Bend began teaching on-site homeschool programs in the fall of 2014. The programs went from under 4 students to reaching a max of 27 students at the end of the season. The program was very successful and we will continue to offer this program to families within the community.

**Creciendo Juntos:** Once a month for 5 months Spanish speaking families with preschool aged children come to River Bend for our Creciendo Junto program. The program focuses on bringing new experiences to the families and connecting them to nature. It will continue for the 2015-2016 school year.

**Interpretive Center remodel:** Early in 2014 River Bend staff decided that our interpretive center was not at its full potential. Staff and volunteers spent many hours painting murals representing each of the 3 habitats found at River Bend. The response from visitors has been overwhelmingly positive.

**Waste Education Contract renewed:** For over 10 years Bend Nature Center has been contracted with Rice County to educate all students within Rice County about waste disposal. This includes reaching out to all of the schools and teaching every student in grades 3 and 4. The contract for 2014-2016 was renewed.

**Youth Lock-in:** River Bend hosted its first "Nature at Night-Youth lock-in". The program has been very successful and now occurs as a quarterly event. Some of the seasonal activities that take place at this program are: moonlight snowshoeing and kicksledding, camp fire stories, nocturnal hikes, s'more scavenger hunts and more. The program has been very well received and is in full attendance nearly every time.

**School Programs:** During the 2014-2015 River Bend's education staff reached over 5,000 students for over 13,000 contact hours. Including the programs spent teaching community members rather than just schools, River Bend reached 16,000 contact hours.

**Contract with Faribault Public Schools:** Faribault Public Schools renewed their contract for the 2015-2016 school year.

## Events

**WinterFest:** It was a blizzard and very cold yet 100 people showed up for the event. Many volunteers and staff shared thoughts of creating a make-up date in the future to plan for these adverse weather conditions.

**Sugar Maple Saturday:** Name changed from formerly known Maple Syrup Open House. About 100 visitors attended this event.

**Sugar Maple Fun Run & Pancake Brunch:** An unscheduled thunderstorm struck at the start of the race. The race start time was delayed to allow the storm to pass. Near 150 runners and walkers participated in the races which a decrease from last year's turn out. The popular pancake brunch returned again this year and was held in the interpretive center.

**Evening on the Prairie:** For the first time River Bend held a dinner on the prairie. The outdoor event raised new friends of the nature center and operational funds. Over 75 supporters of River Bend attended.

**Songs of Hope:** A concert featuring young artists from countries worldwide was performed at River Bend on July 19<sup>th</sup>. This concert featured over 50 artists and brought people to River Bend from all over the world.

**Music in Nature:** The first ever evening of summer blue grass featured the band Long Time Gone. The event took place on September 13<sup>th</sup>. Surprisingly, the number of people that attended was relatively low.

**River Bend Ramble:** The 33<sup>rd</sup> annual River Bend Ramble was held on October 11<sup>th</sup> at the American Legion to raise funds for River Bend's operations. 250 people came to share their support for River Bend.

**Bats, Bones & Bonfires:** Weather was near 70 degrees so over 1,400 people came out to celebrate at the fall festival. Crowds gathered for new entertainment and attractions brought for the celebration.

**Give to the Max Day:** Took place on November 13<sup>th</sup> and was a big success at raising funds for River Bend. River Bend received more than 55 donations and the matching grant of \$5,000 from the State Bank of Faribault to raise a total of \$12,000.

## **Land and Facilities**

**Deer Management Hunt:** In response to the growing deer herd a deer management hunt was scheduled from November 8<sup>th</sup>-11<sup>th</sup>. Of the 30 archery hunters that participated in the management hunt a total of 14 deer were harvested, 7 of which were antlerless deer.

**River Bend Rangers:** This program was reintroduced at River Bend. One adult and one child each weekend teamed up together to work on projects meant to improve the quality of the nature centers buildings and grounds.

**Trailside:** This building went through a bit of a face lift. The classroom was painted and new carpet was laid.

**Rain Garden:** River Bend was awarded a Community Partners Conservation Grant from Rice County to install a rain garden. Installation was done by Dustin Demmer from Blazing Star just outside of the interpretive center.

**New Trail Maps:** 35 trail signs were constructed along the River Bend trails to make it easier for park users to find their way. Each sign consists of a trail map with a red "you are here" arrow that shows your location.

**Goats:** River Bends teamed up with Jake Langeslag's Goat Dispatch in which he provided 10 goats with a mission of eating invasive buckthorn and sweet clover. This is an experimental action with a full report expected later on.

**New Road:** Rustad Road underwent some much-needed maintenance. The City of Faribault removed smaller trees along the entrance and the upper parking lot to improve drainage. They also installed culverts under the road to allow run off. The road and the parking lot was then resurfaced.

**Restoration Club:** Cheryl Culbreth with Landscape Restoration has teamed up with River Bend to launch a Restoration Club. The club meets once a month to practice restoration techniques at River Bend such as buckthorn removal, winter tree ID, nuisance species, and removal of garlic mustard.

**Trails:** A summer flooding event caused staff and volunteers to have to fix a few culverts and trails.

# Thank you our dedicated 2014 Volunteers!
